All Seafood

Dear Sirs,

We are taking the liberty to contact you being interested to import frozen seafoods from your country.

We are a well established **Italian**

company having been dealing with frozen seafoods since the 1981 year. We have a long experience and have built a very good reputation well recognized worldwide since we always developed serious and fruitful relationships with packers of many different countries from Asia, Africa and South America.

We would like to develop new relationships with serious packers of Indonesian frozen seafoods like as Octopus squid shrimps and other, therefore we address to you to broaden our knowledge of your seafood industry. We'll be obliged to you if you will inform the Indonesian companies about our interest to receive offers and establish profitable business with them.

Thanking you for your kind cooperation

Best regards

Robert Lei
